## Our Licences Overview

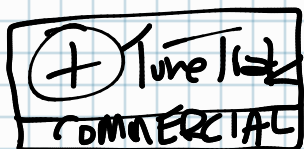

[link to license](#)

When you see this it means the music is free to use, even in commercial projects BUT you must give credit to the musicians

[link to license](#)

This means the music is free to use only in Non-commercial projects. Again you must give credit to the musicians

[Example](#)

Some of the music on this site is available without any restriction for a small, sliding-scale royalty-free fee. A small percentage of this fee (25%) goes to support and maintain the site and the rest (75%) goes straight to the musicians
